

Elvea, festa all'italiana

Guacamole with tomato cubes

Ingredients for 4 Persons

0,50 cans	ELVEA Cubes
3	avocado
2 tablespoons	olive oil
5 tablespoons	lime juice
	Garlic powder
	pepper
	sea salt

Preparation

Halve the avocados, remove the stone, and cut into cubes. Add them to a bowl and squash with a fork.

Add 2 tbsp of olive oil and ½ tbsp of lemon juice to the avocado puree. Spoon in some tomato cubes. Season with a pinch of garlic powder, pepper and sea salt. Mix all the ingredients until the guacamole is creamy.

Serve the guacamole in a fresh bowl and garnish with the sprig of parsley. Want to spice it up? Sprinkle some chili flakes on top.

Let's dip!
